

Military Apprenticeship PROGRAMS

▶▶ SkillBridge

As an industry partner of the program, Akamai hosts remote apprentices around the business in the United States.

Locations:
U.S.

ABOUT THE PROGRAM

SkillBridge is a Department of Defense (DoD) training program that connects active military members and their spouses with industry partners to gain experience in their last 180 days of service. For military members, this is a tremendous opportunity to both work and learn as part of the civilian workforce.

IMPORTANT DATES

Start Date: flexible

Duration: up to 6 months

ARE YOU A GOOD FIT?

Participants should demonstrate a willingness to learn and gain experience in a civilian environment. SkillBridge participants should be active duty military members nearing their separation date and currently located in the United States.

HOW TO APPLY

Apply directly through [SkillBridge](#).
