Return-To-Work
PROGRAMS

▶▶ ReVive

ReVive aims to facilitate systemic pathways for professionals who are looking to return to work after a break. Candidates returning from a career break may have developed new priorities, but research indicates that they remain ambitious and committed to developing their career.

Locations:
India, U.S., Costa Rica

ABOUT THE PROGRAM

The program focuses on professionals returning to work and includes comprehensive tech and non-tech skills enhancement. This includes self-paced learning, classroom sessions, on-the-job training, and mentoring to ensure a well-rounded development experience.

IMPORTANT DATES

Start Date: flexible
Duration: join as full-time employees

ARE YOU A GOOD FIT?

This program is designed for individuals who have taken a minimum of 1 year break from work and seek to get back to work. It is aimed at those who possess at least 6 months of prior continuous industry experience and are looking for a full-time position with remote work opportunities.

HOW TO APPLY

Go to **Akamai Careers** for open roles.
